TOP 5 BENEFITS

1. FAST AND FLEXIBLE WHILE MEETING THE HIGHEST QUALITY STANDARDS

Adherence to deadlines and reliability are our top priorities. We do everything in our power to complete your projects on time and to the highest quality standards.

2. 35 YEARS OF EXPERIENCE

Our experienced welders are certified and work to the highest quality standards. We guarantee you durable and aesthetically pleasing welds.

3. STATE-OF-THE-ART TECHNOLOGY

We continuously invest in state-of-the-art welding technologies and equipment to ensure we always deliver precise and efficient results.

4. TAILOR-MADE SOLUTIONS

Every project is unique. We offer personalised advice and bespoke solutions tailored precisely to your needs.

5. ONE-STOP SHOP

From consultation and design through to the manufacture of complete assemblies, we offer everything from a single source thanks to our extensive expertise.

APPLICATIONS | INDUSTRIES

Food and chemical industry:
Hygienic weld seams for plant and piping systems

Pharmaceutical industry:
Precision welding for sterile environments

Automotive industry:
Robust welded joints for vehicles and components

Construction and architecture:
Aesthetic and durable solutions for construction projects

WHY HÖFELMEYER?

OUR GUARANTEE OF SUCCESS

From the beginning ...

We don't sell our customers products, but solutions. To do this, we first take a close look at your company and then adapt our scales exactly to your production environment with millimetre precision.

... until the end!

We won't leave you on your own, we will help you with process integration and show you ways in which you can make your processes more digital, more productive and more resourceefficient within the scope of your possibilities and with the help of our innovations.

OUR SERVICES

ALWAYS THERE FOR YOU

From comprehensive and customised advice, installation and process integration to commissioning and maintenance: we are your reliable partner throughout the entire product life cycle – fast, uncomplicated, quality-focused and at eye level. But that's not all: we are also happy to support you with your third-party products.
