Counting

Mobile scale

Online control

German prepackaging Ordinance

WHY HÖFELMEYER?

OUR GUARANTEE OF SUCCESS

Right from the start ...

We sell our customers solutions rather than products. To do so, we first take a close look at your company, then we adapt our weighing systems to precisely meet the needs of your production environment. To the millimetre.

... to the very end!

We won't leave you on your own. We'll help with process integration and show you how to make the most of your opportunities to make your processes more digital, more productive and more resource-saving with our innovations.

OUR SERVICES

ALWAYS THERE FOR YOU!

From comprehensive and customized consulting, to installation, process integration, commissioning and maintenance: We'll be a reliable partner for you for the entire product life cycle – fast, reliable and on an eye-to-eye-level.

But there's more: We're even happy to help you with your third-party products!

Just ask.
